

School Uniform Guidelines

1. Aim

A uniform dress code reinforces in students' pride in their appearance, instils recognition of themselves as an integral part of the school community and assists in developing pride in representing their school.

Our school uniform not only provides a sense of belonging and pride of association in students at St Peter's Primary School, but also promotes the safety and security of students by allowing for the ready identification of students as belonging to our school. Equality is fostered through this School Uniform Procedure, which is common to all students.
