

A massive thank you to the amazing community at St Peter's Primary school who wore their touch of pink to raise money at our "Remembering Anika" day on 30<sup>th</sup> November 2018.

The total amount raised was **\$1,300!!!**

The money raised will go towards something special to be placed in our school memorial area (that will be built next year), so that students can visit this area to remember their special friend, Anika and their loved ones.

Anika's parents and siblings were at the morning assembly to see their special daughter be honoured by her friends. They thank our community for the continual outpouring of love and support towards their family.

Also special thanks go to Pretone Graphics and Print for donating the "Remembering Anika" stickers for all the kids to wear on the day and we thank Digital Loop's generosity in designing and printing the posters for the day!
