

## SEMESTER ONE REPORTS 2019 PRE PRIMARY TO YEAR 6 PARENT LOG IN

The 2019 Semester One Reports will be uploaded by close of business Wednesday, 3 July, onto *SEQTACONEQT* through the Parent Engage Portal (please see link below). Students with an Individual Education Plan or modified programme will also have their reports uploaded on this day.

Parents, you are asked to try your log in credentials **NOW** to ensure you have no problems downloading these reports on Wednesday. Please note that you provided your own user name and password when you originally logged into SEQTA (so you may not have used your email address as your username).

All new parents to our school and Pre Primary parents have today received a welcome email. The link in the welcome email is only valid for 7 days (by Monday, 8 July). After this date, you will need to contact the school requesting a new welcome email. (Please note the School Office will be closed until Tuesday, 23 July).

If you are having difficulty logging on, please complete the following steps:

- a) Click on the *Forgot your password?* link.
- b) Enter your email address into the relevant box and click on **Reset my password.**
- c) Go to your Email Inbox and reset your password according to the instructions in the email. The password reset email will expire after 1 hour of being generated.
- d) If you are still having difficulty logging in, please respond by return email asap. The School Office will re-provision your account, and you will receive an email from SEQTA direct.
