

# ST PETER'S PRIMARY SCHOOL CANTEEN MENU 2020

The canteen is open every day for both recess and lunch.

Lunch orders are required to be placed in the morning before **8.45am**. At 12.30 the lunches will be sent to the classrooms. Recess and lunch time snacks are for Year 1-6 only as students need to visit the canteen and line up to buy their desired item/s.

Sandwiches are made with wholemeal bread. White bread is available on request. No margarine will be used unless requested on your order.

Canteen ordering - From **2019 we are only accepting ONLINE Lunch Orders**. Children can buy their snacks at recess and lunch with cash.

Ordering Online - Setting up online canteen information is on the back of this page. It is quick, easy to use, there is no fussing about to find change and you don't have to be at school to place a lunch order, you can also order lunches up to 28 days in advance.

IOUs - Occasionally lunches are forgotten. In this instance children will be directed to the front office where the staff will attempt to contact a parent or gain approval in providing some lunch. There are very limited choices when this is discovered at lunch time. IOUs are not accepted without appropriate authorisation.

Parents are advised that it is against school policy for the students to share money amongst their friends or to buy items for other students.

The canteen cannot operate without the assistance of volunteers so if you would like help out and get to know how we work, we would love to have you join our roster - whether it is for a few hours or once a term, we are always grateful for any amount of time. Please contact the canteen if you would like to go on the roster to meet new parents and see the joy on your child's face when they visit.

By supporting the canteen, you ensure the viability of this service is available for our St Peter's School Community.
