

St Peter's Primary School

STUDENT ASTHMA RECORD

This record is to be completed by parents/carers in consultation with their child's doctor (general practitioner). Parents/carers should inform the school immediately if there are any changes to the management plan. Please tick (✓) the appropriate box, and print your answers clearly in the blank spaces where indicated.

Student's Full Name: M / F (please circle) Class

Date of Birth: / / Doctor Telephone

Emergency contact (eg, parent, carer):

Name: Relationship:

Telephone: Mobile(home) (work)

Name: Relationship:

Telephone: Mobile(home) (work)

Child's symptoms (eg, cough):

Triggers (eg, exercise, pollens):

Name of Medication	Method (e.g. puffer, spacer, etc)	When and how much

In an **Emergency**, follow the Plan below that has been ticked (✓)

<input type="checkbox"/> Standard Asthma First Aid Plan Step 1 Sit the student upright, remain calm and provide reassurance. Do not leave student alone. Step 2 Give 4 puffs of a blue reliever puffer (Airomir, Asmol, Bricanyl or Ventolin), one puff at a time, preferably through a spacer device. Ask the student to take 4 breaths from the spacer after each puff. Step 3 Wait 4 minutes Step 4 If there is little or no improvement, repeat steps 2 and 3 and advise Parent/Guardian. If there is still little or no improvement, call an ambulance immediately (Dial 000). Continue to repeat steps 2 and 3 while waiting for the ambulance.	<input type="checkbox"/> My Child's Asthma Action Plan (attached)
--	--

Additional comments

I authorise school staff to follow the preferred Asthma First Aid Plan and assist my child with taking asthma medication should they require help. I will notify you in writing if there are any changes to these instructions. Please contact me if my child requires emergency treatment or if my child regularly has asthma symptoms at school.

Signature of Parent/Carer..... Date:.....

Dear Parent / Guardian

STUDENT ASTHMA RECORD

St Peter's Primary School is proud to be involved in the national Asthma Friendly Schools Project and has adopted strategies which actively support the whole school community in the management of asthma.

Our school is committed to providing a better and safer environment for students with asthma and is currently adopting the Asthma Friendly School Guidelines developed by Asthma WA. An accurate and up-to-date medical record for students with asthma is an essential component of being "Asthma Friendly" and we seek your assistance in updating our records.

Becoming an Asthma Friendly School involves adopting 7 other essential criteria, some of which include:

- an Asthma education program in the school health curriculum
- asthma education provided for all school staff
- a plan in place for managing asthma during school sporting activities, excursions or camps

To support our school in this initiative, we ask that you complete the attached Student Asthma Record and return it to your child's classroom teacher or school office.

NB. Even if your child **DOES NOT** suffer from Asthma, please complete the student name details, put a line through the rest of the document and **return it to the school office.**

Thank you for your assistance in this matter.

Yours faithfully

Pina Hutcheson
Principal
